

INTERNATIONAL CULTURAL EXPERIENCE STUDY TOURS

To be successful in today's globalised and multi-cultural business world you need to have cultural intelligence. Cultural intelligence, otherwise known as CQ, gives you or your organisation the skills needed to navigate challenging cultural terrain when operating abroad or across cultures and the best way to develop CQ is to travel and be immersed in different cultures. Deliverable in a variety of international locations, our culture centred study tours combine formal training sessions with unforgettable immersive cultural experiences that are guaranteed to develop your cultural skills and intelligence.
